

## UNISON FESTIVAL UNISSON CALGARY 2018

### LIGHTING OPTIONS – BELLA THEATRE

Five lighting looks have been pre-set for choruses to choose from. Please choose from among these five lighting looks when you enter your tech information in Integra. During your tech rehearsal, the lighting technicians will tailor the look to your chorus, so that each chorus has a unique look that shows it to best advantage.

If you have no particular lighting preference for your set or for a specific song, please leave the lighting field blank. The technicians will choose a lighting look for you during your tech rehearsal.

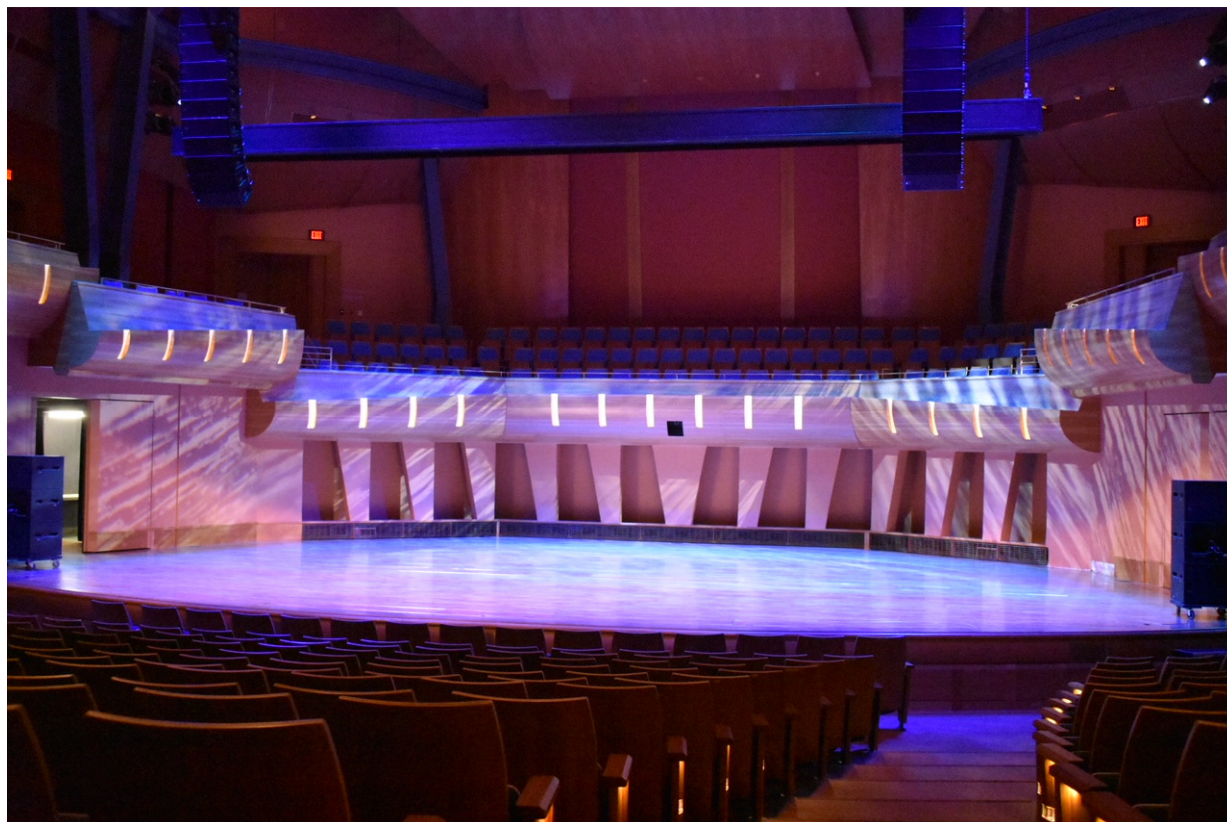

The five lighting looks are:

- Moody Blue
- Cool Blue
- Cool Neutral
- Happy Warm
- Dramatic Warm
